

# Keep moisture and ice at bay!

**T**he winter months are full of slush, dirt, salt and icy cold, which means your vehicle is exposed to more severe stress than ever. This is when VBG's special oils - Mechanical Oil and Electro Oil - are most useful. By using them regularly you will avoid a lot of trouble. Always keep a can of each oil handy in the cab, and make sure to stock up now that your dealer is offering extra low campaign prices right up to the end of February!
